## Lego House

## **Boyce Avenue**

I'm gonna pick up the pieces And build a Lego house If things go wrong we can knock it down My three words have two meanings But there's one thing on my mind It's all for you Mmm And it's dark in a cold December But I've got you to keep me warm If you're broken I will mend ya And keep you sheltered from the storm that's raging on Now I'm out of touch I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better now Now I'm gonna paint you by numbers and colour you in If things go right we can frame it And put you on a wall And it's so hard to say it But I've been here before Now I'll surrender up my heart And swap it for yours I'm out of touch I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better now Don't hold me down I think the braces are breaking And it's more than I can take And it's dark in a cold December But I've got you to keep me warm If you're broken I will mend ya And keep you sheltered from the storm that's raging on Now

I'm out of touch

I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better now I'm out of touch

I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better now

I'm out of touch I'm out of love I'll pick you up when you're getting down And out of all these things I've done I will love you better now
