

## Love In This Club

Boyce Avenue

You see you searching for somebody  
That'll take you out and do you right  
Well come here baby and let daddy show you what it feel like  
You know all you gotta do is tell me what you sippin' on  
And I promise that I'm gonna keep it comin' all night long

Lookin' in the eyes while you on the other side  
And I think that shorty I've got a thing for you  
You do it on purpose winding and workin' it  
I can tell by the way you lookin' at me girl

I wanna make love in this club  
In this club, in this club, in this club  
I wanna make love in this club  
In this club, in this club, in this club

You got some friends rollin' wit you baby then that's cool  
You can leave them with my fellas let em know that I got you  
If you didn't know, you're the only thing that's on my mind  
Cuz the way I'm staring miss you got me wantin to give it to yo  
u all night

Lookin' in your eyes while you on the other side  
I can't take it no more, baby I'm coming for you  
You doin' it on purpose winding and working it  
If we close our eyes it could be just me and you

I wanna make love in this club  
In this club, in this club, in this club  
I wanna make love in this club  
In this club, in this club, in this club
