

# Not Enough

Boyce Avenue

To get back time  
You force too much  
It's always too much  
But not enough

So much for the here and now  
It's all the same now  
I wish everything would change  
You can't believe a word he says  
You can't believe

I know you've been lost  
You've said it before  
Say it again now  
I know you've been lost  
You're begging for more  
And it's not enough

It's all that you know  
And really believe in  
He gives you a reason  
To take it slow

So much for the here and now  
It's all the same now  
I wish everything would change  
You can't believe a word he says  
You can't believe

I know you've been lost  
You've said it before  
Say it again now  
I know you've been lost  
You're begging for more  
And it's not enough

I know you've been lost  
You've said it before  
Say it again now  
I know you've been lost  
You're begging for more  
But it's not enough

But it's not enough  
And it's never gonna be
