Only Girl In The World

Boyce Avenue

I'm gonna love you, when the time is right
Be thinkin' of you, every day and every night
To thank you so many in this world and someday I'll make you my
 wife
So every time we're not together, I hope you know that you'll b
e alright

'cause I, I'm gonna make you feel that you're the only girl in
the world
Like you're the only one that I'll ever love
Like you're the only one who knows my heart
Like you're the only one is in command
Cause you're the only one who understands
How to make me feel like a man

And when you're lonely, I'll keep you company
Like this world is only made for you and me
And when it doesn't feel right with another I hope you believe
That in a world of no lie, I will be the all that you need

I'm gonna make you feel that you're the only girl in the world
Like you're the only one that I'll ever love
Like you're the only one who knows my heart
Like you're the only one is in command
Cause you're the only one who understands
How to make me feel like a man
