

# Umbrella

Boyce Avenue

You have my heart  
I will never be world apart  
Maybe in magazine  
But you still dream a star

Baby 'cause in the dark  
You can't see shiny cars  
That's when you need me there  
With you I'll always share, and because..

When the sun shine we'll shine together  
Told you I'll be here forever  
Said I always be a friend  
Took an oath I'mma stick it out 'til the end  
But now it's raining more than ever  
Know that we'll still have each other  
And you can stand under my umbrella  
You can stand under my umbrella  
Ella, ella, yeah eh 'ey  
Under my umbrella  
Ella, ella, yeah eh 'ey  
Under my umbrella  
Under my umbrella

These fancy things  
Will never come in between  
You're part of my entity  
Here for infinity

When the war has took its part  
When the world has dealt its cards  
If the hand is hard  
Together we'll mend your heart, now because..

You can run into my arms, it's ok don't be alarmed  
To come into me there's no distance in between our love  
So don't let the rain pour, I'll be all you needed more because..

When the sun shine we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'mma stick it out 'til the end  
Now that it's raining more than ever  
Know that we'll still have each other  
Well you can stand under my umbrella  
Oh no, it's raining  
Oh baby, it's raining  
Oh baby, come into me  
Come into me

Oh, it's raining  
Oh baby, it's raining  
Oh, come into me  
Come into me
