

We Are Never Ever Getting Back Together

Boyce Avenue

I remember when we broke up the first time
Saying, "This is it, I've had enough," 'cause like
We hadn't seen each other in a month
When you said you needed space.

Then you come around again and say
"Baby, I miss you and I swear I'm gonna change, trust me."
Remember how that lasted for a day?
I say, "I hate you," we break up, you call me, "I love you."

Oooh we called it off again last night
But oooh, this time I'm telling you, I'm telling you

We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together

I'm really gonna miss you picking fights
And me, falling for it screaming that I'm right
And you, would hide away and find your peace of mind
With some indie record that's much cooler than mine

Oooh, you called me up again tonight
But oooh, this time I'm telling you, I'm telling you

We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together
getting back together
Oh oh oh

I used to think that we were forever ever
And I used to say, "Never say never..."

We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together

We are not getting back together,
We oh, not getting back together

You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together
