Yellow diamonds in the light And we're standing side by side As your shadow crosses mine What it takes to come alive

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Shine a light through an open door Love and life I will divide Turn away cause I need you more Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Yellow diamonds in the light And we're standing side by side As your shadow crosses mine

We found love in a hopeless place [x2]
