See the stone set in your eyes See the thorn twist in your side And I wait for you

Sleight of hand and twist of fate On a bed of nails she makes me wait And I wait without you

With or without you With or without you

Through the storm we reach the shore You give it all but I want more And I'm waiting for you

With or without you With or without you I can't live With or without you

And you give yourself away And you give yourself away And you give, and you give And you give yourself away

My hands are tied, my body bruised She's got me with nothing to win And nothing left to lose

And you give yourself away And you give yourself away And you give, and you give And you give yourself away

With or without you With or without you I can't live With or without you

Ohhh.. ohhh

With or without you With or without you I can't live With or without you

I can't live
With or without you

I can't live
With or without you
