

With You

Boyce Avenue

And oh, I'm into you and
Girl no one else would do
And there's hearts all over the world tonight
Said there's hearts all over the world tonight

Hey lil' mama, ooh you're a stunner
Hot little figure, yes you a winner, and
I'm so glad to be yours
You're a class of your own and
You mean to me what I mean to you
And together baby there is nothing we won't do

'Cause if I got you
I don't need money
I don't need cars
Girl you're my all

And oh, I'm into you and
Girl no one else would do
With every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you...ohhh
With you, with you, with you, with you, with you...

I don't want nobody else
Without you there's no one left, and
You're like Jordans on Saturday
I gotta have you and I cannot wait now

'Cause if I got you
I don't need money
I don't need cars
Girl you're my all

And oh, I'm into you and
Girl no one else would do
With every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you...ohhh
With you, with you, with you, with you, with you...

And I will never try
To deny that you are my whole life
'Cause if you ever let me go
I would die so I won't run
I don't need another woman
I just need you or nothing
'Cause if I got that
Then I'll be straight
Baby you're the best part of my day

And oh, I'm into you and
Girl no one else would do
With every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you... ohh
h (girl)
With you, with you, with you, with you, with you... ohhh
With you, with you, with you, with you, with you...
With you, with you, with you, with you, with you...yeahh
