

# Life of the Party

Boys Like Girls

Yeah haha Yeah  
Well I've been waiting like all week long  
And the dj's playing our favorite song  
Well he's got me singing nah nah nah nah nah  
Nah nah nah nah yeah yeah  
Tell me what you're drinking gonna get you right  
(tell me what you're drinking girl)  
Tell me little baby we'd be rocking all night  
I wanna get you singing nah nah nah nah nah  
Nah nah nah nah yeah yeah  
When it all comes crashing down  
Tell me who's beside

You get one chance you only get one shot  
So come on pretty baby show me what you got  
Show me how you sing nah nah nah nah nah  
Nah nah nah nah yeah  
Woah yeah  
Well the night passed by and the sun go away  
Smoke em if you got em before it gets to late  
Everybody singing nah nah nah nah nah  
Nah nah nah nah yeah woah yeah

When it all comes crashing down  
When it all comes crashing down  
When it comes down who you gonna call  
Tell me who's beside you now

Yeah yeah yeah

Be the life of the party you won't be sorry  
Tell me who are we if we ain't with our friends  
It's the end of the world  
All you boys all you girls put your hands together let me hear an amen

Baby let me hear it nah nah nah nah nah nah [multiple]

Everybody now  
Be the life of the party you won't be sorry  
Tell me who are we if we ain't without friends  
It's the end of the world  
All you boys all you girls put your hands together let me hear an amen

When it all comes crashing down  
When it all comes crashing down  
When it comes down who you gonna call  
Tell me who's beside you now

With those besides you  
Who's beside you now  
Be the life of the party  
Who's the life of the party  
Be the life of the party  
Who's the life of the party  
[Fades]
