

Love Drunk

Boys Like Girls

Top down in the summer sun
The day we met was like a hit-and-run
And I still taste it on my tongue (taste it on my tongue)
The sky was burning up like fireworks
You made me want you oh so bad it hurt
But girl in case you haven't heard

I used to be love drunk, but now I'm hung over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying
Say hello to goodbye
Cause just one sip would make me sick
I used to be love drunk, but now I'm hung over
I'll love you forever, but now it's over

Hot sweat and blurry eyes
We're spinning round a rollercoaster ride
The world stuck in black and white
You drove me crazy every time we touched
Now I'm so broken that I can't get up
Oh girl you make me such a lush

I used to be love drunk, but now I'm hung over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying
Say hello to goodbye
Cause just one sip would make me sick
I used to be love drunk, but now I'm hung over
I'll love you forever, but now it's over

All the time I wasted on you
All the bullshit you put me through
Checking into rehab cause everything that we had
Didn't mean a thing to you
I used to be love drunk, but now I'm hung over
I'll love you forever, but now I'm sober

I used to be love drunk, but now I'm hung over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying
Say hello to goodbye
Cause just one sip would make me sick
I used to be love drunk, but now I'm hung over
I'll love you forever, but now it's over

Now it's over
Still taste it on my tongue
Now It's over...
