

Flies

Boys

Flies in the kitchen
Flies in the hall
Flies in the bathroom
See how they fly, how they fly
Flies on the ceiling
Flies on the wall
Flies on the windows
See how they fly, how they fly
But you will never find no flies on me
No you will never find no flies on me
Time and time again
Buzzing round my brain
Can't you see that that's what's bugging me
Flies round the dustbin
Flies round the door
Flies round the lightbulb
See how they fly, how they fly
