

Kiss Like A Nun

Boys

You look so bold
You act so cool
So tell me why babe
When I'm kissing you...

You kiss like a nun... just like a nun
and it drives me crazy
You kiss like a nun... just like a nun
Kiss like a nun... just like a nun

Little sister
Tell me do
You got a nasty habit
When I'm kissing you

You weren't born yesterday
You ain't so dumb
So please tell me why honey
When I'm kissing you...
