

## Kiss Like A Nun

Boys

You look so bold  
You act so cool  
So tell me why babe  
When I'm kissing you...

You kiss like a nun... just like a nun  
and it drives me crazy  
You kiss like a nun... just like a nun  
Kiss like a nun... just like a nun

Little sister  
Tell me do  
You got a nasty habit  
When I'm kissing you

You weren't born yesterday  
You ain't so dumb  
So please tell me why honey  
When I'm kissing you...
