

Mummy

Boys

I wish I had a girl, a girl like you
Someone who would love, love me too
A girl like mum, I could be my son
If I was my dad

Woah -oh, oh, Woah -oh, oh, Woah -oh, oh,
I wish I had a girl like mummy, just like mummy
Woah -oh, oh, Woah -oh, oh, Woah -oh, oh,
I wish I had a girl like mummy, just like mummy

She would feed me in my chair
Wash my clothes and comb my hair
Clean the egg-stains from my chin
Make my bed and tuck me in

Like mummy, oh yeah
Just like mummy, oh yeah
Like mummy, oh yeah

I would throw away my switchblade
Appreciate the love that she gave
I would be in ecstasy
If I was my dad
