

## Not Ready

Boys

I'm not ready... I'm not ready  
Too young to go steady  
I'm not ready... I'm not ready  
Too young to go steady

One girl, one night  
Just once, maybe twice  
No tears, no ties  
Here I come... Ow!

All I wanna do is screw with you  
What do you wanna do?  
It's up to you
