

# Talking

Boys

Hey what'cha talking about  
I hope you know  
Something you've thought about  
It doesn't show

You've got so much to say

Another line?

I hear you talking  
It seems to me  
You ain't said nothing yet  
Talk is cheap  
Talking... Talking... Talking...  
Talk talk talk

Some people die because  
They really care  
Some folks get crucified  
Their cross to bear
