

## Terminal Love

Boys

Oh no not another  
Lying on his marble throne  
Surrounded by his so called friends  
Rag doll died alone

Terminal love  
Terminal love  
Oh terminal love  
Terminal love

Just another mixed up junkie  
Just another lonely heart  
Dead and soon to be forgotten  
Killed by greedy showbiz tarts

Knock knock knocking on heavens door  
(Hank, James, Buddy, Eddie)  
Knock knock knocking on heavens door  
(Jim, Gene, Brian),  
Knock knock knocking on heavens door  
(Jimi , Marc, Elvis)  
Knock knock knocking on heavens door  
(Keith, Sid)
