

Weekend

Boys

Sunday evening, I`m outta my brain
Monday morning, you tell me your name
Wednesday, Thursday, I`m going insane
Friday evening, I call you again

Weekend, weekend, weekend
Weekend - I gotta little money to spend
Weekend - I wanna make you my weekend
Weekend - I wanna make you more than my friend

Weekend
Weekend - I gotta little money to spend
Weekend - I'm gonna make you my weekend
Weekend - I wanna make you more than my friend

Monday morning, it`s going too slow
I can`t talk to nobody I know
Wednesday, Thursday, mind going A.W.O.L.
Friday evening, gonna give you a call
