

Every time our eyes meet
This feeling inside me
Is almost more than I can take
Baby, when you touch me
I can feel how much you love me
And it just blows me away

And I've never been this close
To anyone or anything
I can hear your thoughts
I can see your dreams and I

I don't know how you do what you do
I'm so in love with you
And it keeps getting better yeah
I wanna spend the rest of my life
With you by my side
Forever and ever
Every little thing that you do
Baby, I'm amazed by you

The smell of your skin
The taste of your kiss
The way you whisper in the dark
(and you say you love me)
Your hair all around me
Baby you surround me
You touch every place in my heart

Oh, it feels like our first time every time
I wanna spend the whole night in your eyes

I don't know how you do what you do it
I'm so in love with you
And it keeps getting better and better
I wanna spend the rest of my life
With you by my side
Forever and ever
Every little thing that you do
Baby, I'm amazed by you

Feels like I am so...

I am so amazed by your love
It feels like forever inside
It's almost more than I can spend
And I can't control it, no

I don't know how you do what you do
I'm so in love with you
And it keeps getting better
I wanna spend the rest of my life
With you by my side
Forever and ever (and ever), and ever
Every thing you do
Baby, every thing you do
I'm amazed by you
