Baby C'mon

Boyz II Men

Say you're wit it
I know you feel it
Wooo
Oooohhh

Baby can't you see that he's no good
Honey he don't treat you like he should
Baby I know
Just what to do to make it right
Let me lead you
To the best love
That you ever had
In your life

So Baby when you feel the need
Don't hesitate to reach
Right out and call me
(I'll give you everything...baby...baby)
I'll supply your everything
Make it so good for you
That you'll end up falling in love with me

Are you down
Say you're wit it
Let it go
I know you're feeling me
Don't try to fight it
I'm gonna help you find the way
Baby C'mon, baby c'mon, baby c'mon

Sister, you're the finest thing I know
He gotta be crazy
To think of ever letting you go
I know you want me
To ease that pain you feel
I got a plan girl
Just take my hand and follow me

To a place where you can be
All the things you couldn't be
When you were with him
(All the things you couldn't be)
I got all the qualities
That a man would need
To make you end up
Falling in love with me
(Falling in love with me)

Girl I know you wanna be with me
So Baby c'mon
Girl you know that I can
Set you free
So baby c'mon
I know you want to be with me
