

Believe Us

Boyz II Men

Baby, your fire burn just for me
Fillin' your desire with what you need
There is no doubt in me
Baby, you're gone to blow my mind

I'll be your king tonight
All that you need tonight
You give me reason why
We won't waste our time
(Oh, baby, I need you to believe us)
You're nobody to give up on
(Oh, baby, I need you to believe us)
You're nobody to give up on
Nobody to give up on

Girl, there ain't a flaw on you I can see
I want you to put all your love up on me
Yeah, no room they know?
I feel I've died, it's paradise

I'll be your king tonight
All that you need tonight
You give me reason why
We won't waste our time
(Oh, baby, I need you to believe us)
You're nobody to give up on
(Oh, baby, I need you to believe us)
You're nobody to give up on
Nobody to give up on
