

# Can You Stand the Rain

Boyz II Men

On a perfect day  
I know that I can count on you  
When that's not possible  
Tell me, can you weather the storm  
Cause I need somebody who will stand by me  
Through the good times and bad times  
She will always, always be right there

Sunny days, everybody loves them  
Tell me  
Can you stand the rain  
Storms will come  
This we know for sure  
Can you stand the rain

Your love unconditional  
I'm not asking this of you  
Girl, to make it last  
I'll do whatever needs to be done  
Cause I need somebody who will stand by me  
When it's tough she won't run  
She will always, be right there for me

Sunny days, everybody loves them  
Tell me  
Can you stand the rain? (Can you stand it?)  
Storms will come  
(I know I know all the days won't be perfect, but darling can you stand it?)  
This we know for sure  
Can you stand the rain (Can you stand the rain?)

Can you stand the rain? (4x)  
No pressure, no pressure from me baby  
Cause I want you  
And I need you  
And I love you  
Will you be there for me?

Come on baby, let's go get wet.  
Can you stand the rain? (Can you stand the rain?)  
This we know for sure  
Can you stand the rain? (Will you be there girl?)  
This we know for sure  
Can you stand the rain? (Storms will come)  
This we know for sure  
Can you stand the rain? (the rain, rain, rain...girl)  
Can you stand the rain? (It's kinda cold, but I know I know I'll be right there)  
Can you stand the rain?
