

Can You Stand the Rain

Boyz II Men

On a perfect day
I know that I can count on you
When that's not possible
Tell me, can you weather the storm
Cause I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days, everybody loves them
Tell me
Can you stand the rain
Storms will come
This we know for sure
Can you stand the rain

Your love unconditional
I'm not asking this of you
Girl, to make it last
I'll do whatever needs to be done
Cause I need somebody who will stand by me
When it's tough she won't run
She will always, be right there for me

Sunny days, everybody loves them
Tell me
Can you stand the rain? (Can you stand it?)
Storms will come
(I know I know all the days won't be perfect, but darling can you stand it?)
This we know for sure
Can you stand the rain (Can you stand the rain?)

Can you stand the rain? (4x)
No pressure, no pressure from me baby
Cause I want you
And I need you
And I love you
Will you be there for me?

Come on baby, let's go get wet.
Can you stand the rain? (Can you stand the rain?)
This we know for sure
Can you stand the rain? (Will you be there girl?)
This we know for sure
Can you stand the rain? (Storms will come)
This we know for sure
Can you stand the rain? (the rain, rain, rain...girl)
Can you stand the rain? (It's kinda cold, but I know I know I'll be right there)
Can you stand the rain?
