Since I met you I've begun to feel so strange Every time I speak your name, that's funny You say that you are so helpless too That you don't know what to do

Each night I pray there will never come a day When you up and take your love away Say you feel the same way too And I wonder what it is I feel for you

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?
(Ooh)
Could it be I'm falling in love?
With you, with you, with you

I don't need all those things that used to bring me joy Well you made me such a happy boy And honey you'll always be the only one for me Meeting you was my destiny

You can be sure I will never let you down When you need me I will be around And darling you'll always be the only one for me Heaven made you specially

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?
(Ooh)
Could it be I'm falling in love?
With you, with you, with you, with you

And darling you'll always be the only one for me Heaven made you specially

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?
(I wanna know now baby)
Could it be I'm falling in love?
With you, with you, with you, with you

Could it be I'm falling in love? Could it be I'm falling in love? Could it be I'm falling in love?
