Just My Imagination

Each day through my window I watch her as she passes by I say to myself 'your such a lucky guy To have a girl like her It's truly a dream come true Out of all the fellas in the world She belongs to you'

But it was just my imagination Running away with me It was just my imagination Running away with me

Soon we'll be married And raise a family oh yeah In a cosy little home Out in the country With two children, maybe three I tell you I I can visualize it all This couldn't be a dream For too real it all seems

But it was just my imagination Once again Running away with me, yeah Tell you it's just my imagination Running away with me

Every night on my knees I pray, (Dear Lord) Oh, hear my plea Don't ever let another take her love from me Or I will surely die... ' Ooh, her love is heavenly; When her arms enfold me, I hear a tender rhapsody... But in reality she doesn't really know me

It was just my imagination, running away with me running, runni ng, running, running Babe it was just my imagination running away with me It was just my imagination running away with me (hold me) Just my imagination Running away with me
