

# One More Dance

Boyz II Men

I was wrong beyond belief,  
Even the blindest man could see  
That the choices that I've made  
Would be the end of you and me  
So I sit here all alone  
I've been a mess since you've been gone  
Now I hate myself like no one else  
I know that I'm at fault  
Truth is there's really no excuse  
For what I did or didn't do  
So sorry, I hope that you can find it in your heart to save

Save one more dance with me  
One last second chance for me  
Cause I don't want nobody cutting in  
I swear I'll never break your heart again  
Please don't let the music end  
Could you just save me one more dance,  
One more dance, dance, one more dance, dance

Maybe I was just afraid  
Of how good my life can be  
So I messed things up and hurt you girl  
Before you could hurt me  
I'm not saying I was right  
I'm not so proud of what I did  
Well I'm not gonna lie, or try to justify  
Or try to make it all make sense  
Truth is there's really no excuse  
For all I did or didn't do  
So sorry, I hope that you can find it in your heart to say

Save one more dance with me  
One last second chance for me  
Cause I don't want nobody cutting in  
I swear I'll never break your heart again  
Please don't let the music end  
Would you just save me one more dance,  
One more dance, dance, one more dance, dance

If there's a space in your heart, please find the room to forgive  
Let's try and make a new start, and begin  
If you take the lead, I'll follow you  
From this moment, I'll dance for you  
Tell me I'm not dancing all alone, no

Save one more dance with me  
One last second chance for me  
Cause I don't want nobody cutting in  
I swear I'll never break your heart again  
Please don't let the music end  
Could you just save me one more dance,  
One more dance, dance, one more dance, dance.
