

# One Sweet Day

Boyz II Men

Sorry I never told you  
All I wanted to say  
And now it's too late to hold you  
'Cause you've flown away  
So far away  
Ayyy  
Never had I imagined  
Living without your smile  
Feeling and knowing you hear me  
It keeps me alive  
Alive  
And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day  
Eventually I'll see you in heaven...  
Darling, I never showed you (I never showed you)  
Assumed you'd always be there (I thought you'd always be there)  
I took your presence for granted  
But I always cared  
(But I always cared)  
And I miss the love we shared  
And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day  
Eventually I'll see you in heaven  
Although the sun will never shine the same  
I'll always look to a brighter day

Yeah  
Lord I know when I lay me down to sleep  
You will always listen as I pray

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
Together  
One sweet day  
And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
Together  
One sweet day  
Sorry I never told you (oooh)  
All I wanted to say
