

Slowly

Boyz II Men

Nightfall, here we are making love histories
Sexual, natural, the feeling that you give me
We've been there before, now is now
And I see no signs of a slowing down
Girl you're so beautiful
I just wanna lay back and watch you rock me

Slowly, slowly, slowly
Love your body on me, on me
Like you own me
I feel you rock me slowly, slowly, slowly
Love your body on me, on me
Like you own me

God no, where to go it's just you and me and the radio
And your warm skin, cold wine
And holding you as you moving in a slow grind
Having you in my bed fulfills every fantasy in my head
As we make this memory
Nothing better than for me to watch you rock me

Slowly, slowly, slowly
Love your body on me, on me
Like you own me
(And when you do it to me it's like a work of art, yeah)
I feel you rock me slowly, slowly, slowly
Love your body on me, on me (on me)
Like you own me

Baby slow it down gently rock it back
To the end then rewind it back oh
Right now you're a part of me, I know you're a part of me
Inside is where I have to be
We can do it like it's supposed to be done
And together we will become one
Feel my love, my love is just for you
Watch you rock me

Slowly, slowly, slowly
Love your body on me, on me
Like you own me
I feel you rock me slowly, slowly, slowly
Love your body on me, on me
Like you own me

Watch you rock me
Slowly, slowly, slowly
Love your body on me, on me
Like you own me
I feel you rock me slowly, slowly, slowly
Love your body on me, on me
Like you own me
