

# So Amazing

Boyz II Men

You're so amazing  
Breathless, you leave me breathless  
The only air I wanna breathe is yours  
Girl, your best is so effortless  
Oh, you's what I wanna get into and when I do I'm gonna

Live inside of you, spend a night or two  
Beyond this, girl, I'm just frozen  
See I'm not used to this, soon as you got undressed  
You stop my heart, there's one way you'll say it, you are

You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Can I touch you, I just wanna love you  
Let me just say that you are  
You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Let me love you, girl, I won't waste it  
Just wanna say that you are

Speechless, you got me speechless  
Girl, I'm at loss for words  
To say the things you've never heard  
Before I'm ready, you get me ready  
To turn you out I start to search the softest place on earth

Is inside of you, nothing left to do  
Not to take it, girl 'cause I need it  
See I'm not used to this, I am so ready to promise you  
Everything, everything 'cause you are

You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Can I touch you, I just wanna love you  
Let me just say that you are  
You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Let me love you, girl, I won't waste it  
Just wanna say that you are

So amazing, just wanna let you know that you are  
So amazing, yeah, yeah, yeah  
Said I just wanna let you know that you  
You are amazing

I know and I won't be satisfied until you are where I go  
Deep inside you everything and everywhere  
Doing it until we see the sun  
(Starting over like we just begun)  
Just wanna say that you are

You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Can I touch you, I just wanna love you  
Just wanna say that you are  
You're amazing, baby, you're amazing  
So amazing, ooh, amazing

Let me love you, girl, I won't waste it  
Just wanna say that you are

You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Can I touch you, I just wanna love you  
Just wanna say that you are  
You're amazing, baby, you're amazing  
So amazing, ooh, amazing  
Let me love you, girl, I won't waste it  
Just wanna say that you are

You're amazing  
And I just want to love you more than I  
Amazing, amazing, amazing  
I wanna lay you down  
I wanna, oh I
