

# What You Won't Do For Love

Boyz II Men

Yeah, I make steady for love  
Venetic love  
But if I'm not around  
You won't think enough  
I'm gonna make it real for you  
Whenever I deal wit you  
I do do do do anything

I guess you wonder where I've been  
I searched to find the love within  
So I came back to let you know  
Got a thing for you  
And I can't let go  
My friends wonder what is wrong with me  
Well I'm in a daze from your love you see  
I came back to let you know  
Got a thing for you  
And I can't let go  
Some people go around the world for love  
But they may never find what they dream of  
What you won't do, do for love  
You tried everything  
But you won't give up  
In my world only you  
Make me do for love  
What I would not do  
Do for love  
You tried everything  
Won't give up  
My friends wonder what is wrong with me  
Cause I'm in a daze from your love you see  
So I came back to let you know  
I got a thing for you  
And I can't let go  
And though I only want the best it's true  
I can't believe the things I do for you  
What you won't do, do for love  
You've tried everything  
But you don't give up  
In my world only you  
Make me do for love  
What I would not do

Yeah, come on now, listen  
Do they get it when the project is a queen  
I gotta get to you cause you do them things to me  
My love shows  
Nobody knows how my ??  
Cause when you're filling me up  
You're enough when you're ready for that nut  
Baby I'll be that buttercup  
And I catch every drop  
You got a chick of love  
For you go to the storm  
And skip to the road block  
We can rumble in cuss  
We can fight

We can fuss  
But no I'm never giving up  
It's nothing I won't do  
Nothing I won't go through  
You are of the joy and the pain  
I will keep it true

What you won't do  
Do for love  
You tried everything  
But you won't give up  
In my world only you  
Make me do for love  
What I would not do

Do for love  
You tried everything  
Won't give up  
Do for love  
You tried everything  
Won't give up
