

# Why Christmas

Boyz II Men

Hey, what's wrong squirt?  
I don't know man. Sometimes around this time of year I just get depressed.  
Man, this isn't the time of year to be depressed.  
It's the time to be happy and giving, man.  
You know,  
Sometimes I think about things that are happening in the world today,  
Things I didn't have. I just feel like crying.  
We all feel that way sometimes. But, it'll be alright.  
I just, I just wonder why.

Every day at this time of year  
I wonder time and time again  
Why are kids suffering?  
All of the tears 'cause being caught in the crossfire (Why?)  
Somebody tell me why

As the joyous day comes along  
The eldest feel there's something wrong  
He's looking for Mom but she's not there  
Kids are looking for reindeer in the air

She messed up again  
Why?  
My brother and my sister  
They ain't got no toys  
What am I supposed to do  
When growing up for me wasn't joy?  
It's gonna be a why Christmas  
It's gonna be, it's gonna be a  
A why Christmas

No one was there but Grandma and her friends  
A time of heartache is setting in  
There's nothing I can do  
Just sit and feel pain run me through  
I often wished they were never born  
The thought of them not having no toys  
Their little hearts were torn  
I was young and I cried as well

I didn't have a job  
But I prayed to the Lord that there'd be better days  
Yes, he gave me a reason to live  
He gave me a sign  
But I still think to that day when

Brother and my  
Brother and my  
Brother and my  
Sister
