Bitch nigga better stay in your place (don't put your hands on me)

Well it's a lot of y'all thinking y'all got great big balls

Try me like I'm playing my man I'ma put my hands on ya

Fuck security they a bunch of hoes

Niggaz looking like they want some action  
Shake something lets see what's happening  
Act a donkey start the yapping we gon' get it cracking  
We make your whole click stop, drop, and then bitch  
Purchase Moet bottles just to bust you cross the head wit  
Cuz the shits gon' get gritty as a sewer pit  
Boyz N Da Hood bitch guess we gotta a truer click  
And we gon' show them lames exactly what they dealing wit  
Watch them dumb fucks cuddle up when the tool clicks

My poultry died  
My car got towed today  
My lights ain't on  
My folks stole all the yay  
My piss dirty P.O. gon' told the state  
Rent late trying to find me a home to stay  
Bench warrants in bout 4 southeastern states  
Last night I shot a nigga all in the face  
I just got another call full of bad news  
Touch me I'ma kill ya got problems and an attitude

Now I'm off up in the club drunk, twisted and booted  
You don't wanna test the gangsta when the grams get tooted  
Pack a plastic pistol partner please believe I'll shoot it  
It's the perfect time and place when you want me to prove it

You can huff and puff like the big bad wolf  
I'll bar ya face up tight and sport the kick ass look  
You can flabber jack, chow jack, talk back  
cuss me, tongue wrestle til ya tongue tied  
But don't touch me

I'm such a gangsta I don't tout glocks

Pop the trunk pump ya ass like some Reeboks  
And I'm strapped I ain't slipping  
Red jersey on Jeezy still cropping

At any time I'm willing to pop the clip in  
Cock back one up in ya hip and see if you limp then  
I done said just about what the fuck I'ma say  
So I'ma leave saying nigga stay the fuck out my face cause I ain't playing
