Unbreak my heartDonrt leave me this way Bring back your love
Irm waiting for you
Girl you are the one that I adore

Tell me why is so hard to say goodbye Cause the time is passing by So many things we left to say...yeah You know I got your love so deep inside See your lovely face each night You are the sunshine of my life...yeah

Everynight I think about you girl I can never let you go

Unbreak my heartDonrt leave me this way Bring back your love Irm waiting for you Girl you are the one that I adore

You know I..I have been waiting also long You're the one I'm searching for Thought I will never be alone...yeah But now I..I'm sleepless every night Cause there is no one by my side I feel your love for me will die

Everynight I think about you girl I can never let you go

Unbreak my heartDonrt leave me this way Bring back your love
Irm waiting for you
Girl you are the one that I adore

Everynight I think about you girl I can never let you go

Unbreak my heartDonrt leave me this way Bring back your love
Irm waiting for you
Girl you are the one that I adore
