

I Love the Way You Love Me

Boyzone

1. I like the feel of your name on my lips
And I like the sound of your sweet gentle kiss
The way that your fingers run through my hair
And how your scent lingers even when you're not there

2. And I like the way your eyes dance when you laugh
And how you enjoy your two-hour bath
And how you've convinced me to dance in the rain
With everyone watching like we were insane

R: But I love the way you love me
Strong and wild, slow and easy
Heart and soul so completely
I love the way you love me

And you roll your eyes when I'm sloppily off key
And I like the innocent way that you cry
At sappy old movies you've seen thousands of times

R: But I love...

(Listen to me now..)

*: And I could list a million things
I love to like about you
But they all come down to one reason
I could never live without you..

R: But I love...
