

# I Love the Way You Love Me

Boyzone

1. I like the feel of your name on my lips  
And I like the sound of your sweet gentle kiss  
The way that your fingers run through my hair  
And how your scent lingers even when you're not there

2. And I like the way your eyes dance when you laugh  
And how you enjoy your two-hour bath  
And how you've convinced me to dance in the rain  
With everyone watching like we were insane

R: But I love the way you love me  
Strong and wild, slow and easy  
Heart and soul so completely  
I love the way you love me

And you roll your eyes when I'm sloppily off key  
And I like the innocent way that you cry  
At sappy old movies you've seen thousands of times

R: But I love...

(Listen to me now..)

\*: And I could list a million things  
I love to like about you  
But they all come down to one reason  
I could never live without you..

R: But I love...
