

# One Kiss at a Time

Boyzone

I woke up this morning  
With a brand new point of view  
Something has changed my world  
And girl that something is you  
I don't know how to explain it  
But I knew right from the start  
This feelin' inside, it can't be denied  
And I'm gonna win your heart  
One kiss at a time  
Sooner or later, love's gonna get ya  
No way that you can hide  
One kiss at a time  
Minute by minute, hour by hour  
I'm gonna make you mine  
One kiss at a time

In all of the heavens  
You're the only star that shines  
And I've just gotta get to you  
So I'm workin' overtime  
I've climbed every mountain  
Just to show you that I care  
The searchin' is done  
And girl you're the one  
I'm gonna take you there

[CHORUS]

Hey now, hey now  
Can't believe the way I feel now, feel now  
One kiss at a time  
Hey now, hey now  
Can't you feel it when it's real now, real now?  
One kiss at a time

I've climbed every mountain  
Just to show you that I care  
The searchin' is done  
And girl you're the one  
I'm gonna take you there

[CHORUS]

Hey now, hey now  
Can't believe the way I feel now, feel now  
(I can't believe the way I feel now)  
Hey now, hey now  
Can't you feel it when it's real now, real now?  
(so real)

[CHORUS]

One kiss at a time  
Sooner or later, love's gonna get ya  
No way that you can hide  
One kiss at a time  
Minute by minute, hour by hour

I'm gonna make you mine  
One kiss at a time..
