

After Hours

Boz Scaggs

After all the ups and downs
All the due's are done
I want you to meet me after hours
And we'll make a little run
I want you to meet me baby
After the lights go down low
I want you to meet me after hours
Then we'll take it nice and slow

Now don't you go out looking
No telling what you'll find
It's a jungle out there baby
But just take it off your mind
I want you to meet me later
After the lights go down low
I want you to meet me after hours
And leave the crazies at the door

You know it's been a long time
Since you came around this way
And you look like all the pennies
I've been saving for a rainy day
Would be awful nice to see you babe
After the lights go down low
Cause you know there ain't no telling
What after hours got in store
