## **Do Nothing Till You Hear From Me**

**Boz Scaggs** 

Come, let's take the a train Duke's songs will take you right straight up to heaven

Someone told someone and someone told you But they wouldn't hurt you, not much Since everyone spreads the story With his own little personal touch

Do nothin' till you hear from me Pay no attention to what's said Why people tear the seams Of anyone's dream is over my head

Do nothin' till you hear from me At least consider our romance If you should take the words Of others you've heard, I haven't a chance

True, I've been seen with someone new But does that mean that I'm untrue? When we're apart, the words in my heart Reveal how I feel about you

Some kiss may cloud my memory And other arms may hold a thrill But please do nothin' till you hear it from me You never will

Some kiss may cloud my memory And other arms may hold a thrill But please, do nothin' till you hear it from me You never will, never will You never will
