I'll Remember April

This lovely day will lengthen into evening We'll sigh goodbye to all we've ever had Alone where we have walked together I'll remember April... and be glad

I'll be content you loved me once in April Your lips were warm and love and spring were new But I'm not afraid of autumn and her sorrow For I'll remember... April and you

The fire will dwindle into glowing ashes For flames and love live such a little while I won't forget but I won't be lonely I'll remember April... and smile

I'll be content you loved me once in April Your lips were warm and love and spring were new But I'm not afraid of autumn and her sorrow For I'll remember... April and you

The fire will dwindle into glowing ashes For flames and love live such a little while I won't forget but I won't be lonely I'll remember April... and smile
