

# Look What You've Done To Me

Boz Scaggs

Hope they never end this song  
This could take us all night long  
I looked at the moon and I felt blue  
Then I looked again and I saw you  
Eyes like fire in the night  
Bridges burning with their light  
Now I want to spend the whole night through  
And Honey, Yes, I'd like to spend it all on you

Love, look what you've done to me  
Never thought I'd fall again so easily  
Oh, love, you wouldn't lie to me  
Leading me to feel this way...

They might fade and turn to stone  
Let's get crazy all alone  
Hold me closer than you'd ever dare  
Close your eyes and I'll be there  
After all is said and done  
After all you are the one  
Take me up your stairs and through the door  
Take me where we don't care anymore...

Love, look what you've done to me  
Never thought I'd fall again so easily  
Oh, love, you wouldn't lie to me... would you  
Leading me to feel this way...

Love, look what you've done to me  
Never thought I'd fall again so easily  
Oh, love, you wouldn't lie to me  
Leading me to feel this way...
