

Love T.k.o.

Boz Scaggs

Looking back over my years
I guess, I've shed some tears
Told myself time and again
This time I'm gonna win

But another fight things ain't right
And I'm losing again
Takes a fool to lose twice
And start all over again

Think I'd better let it go
'Cause it looks like another love T.K.O., oh, yeah
Said, "I'd better let it go
Because it looks like another love T.K.O."

I tried to take control of my love
Love took control of me
See, you lose all thought and sense of time
You have a change of mind

Takin' the bumps and the bruises
And all the things of a two-time loser
See, I try to hold on but my faith is gone
It's another sad song

So I'd better let it go
'Cause it looks like another love T.K.O.
Said, "I'd better let it go, na, na, na, na
'Cause it looks like another love T.K.O."

You got me going in circles, a-ha
Can't get my feet back on the ground, oh, oh

I tried to take control of my love
Love took control of me
See you lose all thought all sense of time
You get a change of mind

Takin' the bumps and the bruises
And all the things of a two time loser
And I try to hold on but my faith has gone
It's another sad song

Said, "I'd better let it go now
'Cause it looks like another love T.K.O.
Better let it go
Because it looks like another love T.K.O."

Let it go, T.K.O., yeah
Got to let it go now
'Cause it looks like another love T.K.O.
