

# Mental Shakedown

Boz Scaggs

Are we locked up to each other  
Must we stir through the ashes  
Stir through the ashes of the past  
For a time it was tough to survive  
But it's time to get on with our lives

And now you've gotta do a mental shakedown  
What is it gonna take your sanity's at stake  
Shakedown

Yeah yeah

There's a cold wind off the border tonight  
As we take to the ridges  
Burning our bridges to the past  
And the cry rises from the west  
We are not each others to possess

Now you've gotta do a mental shakedown  
What is it gonna take your sanity's at stake  
Shakedown

Now you've gotta do a mental shakedown  
What is it gonna take your sanity's at stake  
Shakedown

You've got you've got  
Now you've got to do your mental shakedown

What is it gonna take  
You're sanity's at stake  
Shakedown

Yeah

Now you've got to do a mental shakedown  
What's it gonna take

Shakedown

Yeah you've got to do your mental shakedown  
What is it gonna take  
You're sanity's at stake

Shakedown
