

# Near You

Boz Scaggs

(I want to be near you)  
I want to hear what you have to say  
(As long as I'm near you)  
Nothing will seem to pass away  
Long as I'm near you  
Longing to hear you  
Long as I'm near you

(I want to believe you)  
When you say the things you do  
(And so I believe you)  
You make it all appear so true  
Glad that I found you  
It's good to be around you  
Good to be near you

When it comes to making time  
Little girl you sure made mine  
You made my day  
You made my way to stay

(I want to be near you)  
You're my all you're my everything  
(As long as I'm near you)  
There's a song in my heart to sing  
The song of your laughter  
Is all that I'm after  
I want to be near you

Love is such a happy song  
And when love comes along  
It's good to be alive  
It's good that you arrived on time

I want to be near you  
I want to be near you  
I want to be near you  
As long as I'm near you  
As long as I'm near you  
As long as I'm near you

I want to believe you  
I want to believe you  
I want to believe

And so I believe you  
And so I believe you  
And so I believe

I want to believe you  
I want to believe you  
I want to believe

As long as I'm near you  
As long as I'm near you  
As long as I'm near  
Oohhh

I want to believe you
