

Rainy Night In Georgia

Boz Scaggs

Hoverin' by my suitcase
Tryin' to find a warm place to spend the night
A heavy rain is falling
Seems I hear your voice calling, it's all right

A rainy night in Georgia
A rainy night in Georgia
Seems its raining all over the world
Feels like its raining all over the world

Neon lights are flashing
Taxicabs and buses passing, through the night
The distant moaning of a train
Seems to play a sad refrain, tonight

On a rainy night in Georgia
Rainy night in Georgia
Feels like it's raining all over the world
Seems its raining all over the world

How many times I wonder
But it still comes out the same
No matter how you think of it, or look at it
Its life and you just got to play the game

Find my place in the boxcar
So I take my guitar, to pass some time
Late at night when it's hard to rest
I hold your picture to my chest, and I feel fine

On this rainy night in Georgia
Rainy night in Georgia
Seems like its raining all over the world
Feel like its raining all over the world

On a rainy night in Georgia
Seems its raining all over the world
All over my world
HMMMM hMMMM
