

Sail On White Moon

Boz Scaggs

Your world was not the kind
I ever thought I'd find
Myself to be a part of

Oh but here I stand
In the middle of a foreign land
A stranger with love in his heart mmmm

For love has no eyes
It comes in no disguise
Its free for those who want to share

And I've chosen you to be mine
So girl lets not waste no time
Lets not worry about what they say
Lets take care of what is ours today

Sail on white moon
Across the dark and starry sky mmmm
Sail on white moon
Our love won't die

But girl you must realize
There'll be a difference in our lives
We're gonna be rejected
Whoah but thats to be expected

Sail on white moon
Across the dark and starry sky
Mmmmm sail on white moon
Across the dark and starry sky
La la la la la la lala la la la la la lala
mmmm la la la lala la la la la la lala
