Slow Dancer

Hmmm hmmm mmmm

I have never loved a lady Never touched no silken knee Macon baby you drove me crazy You were so easy to me

Hmmm hmmm mmmm

Lay me down in Georgia pine cones Whisper to me through the trees You're the one I always dream of You're the only one I see

Whoah slow dancer sweet romancer Shine your light on me Slow dancer holds the answer Only you can set me free

Never see your face in sunlight Moonlight sends you straight to me You never even got my name right You were so easy to me

Whoah slow dancer sweet romancer Shine your light on me Slow dancer give me the answer Only you can set me free Baby baby baby sweet romancer Shine your light on me **Boz Scaggs**
