

# We Were Always Sweethearts

Boz Scaggs

We were always sweethearts  
Different in our ways  
Together we spent happy hours  
And oh happy days  
Laughing in the sunshine  
And crying in the rain  
Together we knew happy days  
We never knew no pain... yeah

Cloudy day sunny sunshine  
Happy days will never be the same  
I was her man  
And she my queen  
Together we knew happy days honestly  
Lying in the grass  
And laying on our butts.. yeah yeah

We were always different  
Different in our ways  
Together we knew happy hours  
And oh happy ways  
Lying out together  
And never mind the weather  
Together we knew happy days  
We never had it better.. yeah

Cloudy days sunny sunshine  
Happy days will never be the same  
No no no no no  
Aaah.. get it

Oh times can be  
So hard you'll see  
Never never know in stormy weather  
Times can be  
So hard to be  
Never never knowing we're together... yeah  
Mmmmm

We were always sweethearts  
Different in our ways  
Together we spent happy hours  
And oh happy days  
Laughing in the sunshine  
And crying in the rain  
Together we knew happy days  
We never knew no pain.. yeah

Cloudy day's sunny sunshine  
Happy days will never be the same

na na na na na na yeah...  
na na na na na na yeah...  
na na na na na na... yeah...
