

## I'm All Right

BR5-49

Well I woke up this morning and I looked outside  
And all I had was gone  
Then I started wondering  
"What else could go wrong?"

I got them weary violated blues  
Broken hearted and nothin' to loose  
But I'm all right for the shape I'm in

Oh well I don't know why I'm not over the edge  
I done my duty, I took the pledge  
Never want to live that way again

Now I can hear that tick of the clock  
I take a lickin' but I don't stop  
And I'm all right for the shape I'm in

Tired and torn and tattered  
Holes in both my shoes  
And it's rained on almost everything I use

Standing outside in the pouring rain  
Getting my poor house rearranged  
But I'm all right for the shape I'm in

Tired and torn and tattered  
Holes in both my shoes  
And it's rained on almost everything I do

Standing outside in the pouring rain  
Getting my poor house rearranged  
But I'm all right for the shape I'm in  
Yes I'm all right for the shape I'm in
