I Want To Break Free

(I want to break free) (I want to break free) I want to break free from your lies You're so self satisfied I don't need you I've want to break free God knows, God knows I want to break free

I've fallen in love I've fallen in love for the first time And this time I know it's for real I've fallen in love, yeah God knows, God knows I've fallen in love

It's strange but it's true I can't get over the way you love me like you do But I have to be sure When I walk out that door Oh how I want to be free, baby Oh how I want to break free, Oh how I want to break free

But life still goes on I can't get used to, living without, living without, Living without you by my side I don't want to live alone, hey God knows, got to make it on my own So baby can't you see God knows, gods know, gods know I've want to break free **Bracia**
